

11th October 2021.

Dear Parents/Carers,

We have recently been notified by the NHS of the arrangements for the school based COVID-19 Vaccination programme. The enclosed letter by the NHS details what you and your child can expect during this process.

The proposed date of the vaccinations in school is:

- **Friday 3rd December 13:30-15:00pm**

Contained within this pack are the following documents:

- NHS Letter
- Parental Consent Form

Please could we ask that all parents and carers return their consent forms back to school by Friday 22nd October. Please note, you must return the consent form even if you do not want your child to be vaccinated.

To accompany the vaccination process in schools the NHS has developed the following guides which can be found at www.gov.uk:

- 'COVID-19 Vaccination, A guide for Children and Young People'
- 'What to expect after your COVID-19 vaccination'

We recognise this may be a difficult time for your child.

We will do all we can to support your child on the day of their vaccine if appropriate and if you would like to discuss any details or have any questions or queries on the process then please do not hesitate to contact school reception on 01942 877715 or via the 'get in touch' link on our website www.expanselarning.co.uk

Yours sincerely,

Richard King
Director of Pre-16 Education.

Ed Hanley
Headteacher.
