

## Post 16 Construction Skills

### Who are we?

Expansive Learning is a leading specialist further education provider. Expansive Learning colleges are approved institutions by the Secretary of State (Section 41 approved). We provide educational programmes for young people aged 16-25 with a range of Special Educational Needs and Disabilities (SEND).

Our programmes are funded by the Education & Skills Funding Agency and the Department for Education. We also work closely with and are funded by a range of Local Authorities across the Northwest.

### Who is it for?

Young people who wish to gain practical experience in construction trades whilst studying for a relevant qualification.

The course is open to young people aged 16 – 25 particularly those with EHC Plans, who enjoy learning within a practical or vocational setting.

### What does it lead to?

The programme delivers a range of pathways from Entry Level through to Level 2 Qualifications in Construction Skills which are industry recognised.

Links to potential employers, supporting their transition into (self) employment and/or further learning.

### What skills are covered?

- Health and Safety
- Plastering & Dry lining
- Brickwork
- Joinery
- Painting & Decorating
- Plumbing & Tiling
- Grounds Maintenance
- Personal Development
- English & Maths
